

THE WINSIDER

Message from the CEO

In the final month of the Arizona Lottery’s fiscal year, I want to take a moment to celebrate the victories made possible by the players, employees, partners, and people who are behind the vital work of the lottery. We strive to bring innovative and fun games to market at the lottery, and we recognize our great responsibility to drive meaningful impact for Arizona communities with every ticket sold.

Witnessing the difference our collective efforts make in the lives of Arizonans brings me great pride, and I thank you for the part you play in the Arizona Lottery’s continued success.

Arizona Lottery Gives Back

SHOES FOR THE SUMMER

Recently, the Arizona Lottery supplied 550 new pairs of shoes to support Arizonans experiencing homelessness through a partnership with Soles 2 Souls and Central Arizona Shelter Services. In summer, when the risk of heat-related illness is much higher, providing reliable shoes for those experiencing homelessness is a step towards ensuring safer pedestrian travel.

This effort is part of a larger statewide initiative to mitigate risks associated with heat, which is being led by Dr. Eugene Livar at Arizona Department of Health Services. [Click here](#) to learn more about heat safety and resources available to Arizonans during the summer.
